INFORMATION DISCLOSURE STATEMENT

Sir:

In accordance with 37 C.F.R. §§ 1.56, 1.97 and 1.98, applicants respectfully submit this communication to make of record certain documents cited in International Patent Application No. PCT/US2004/034959 (the '959 Application), to which the present application claims priority. Specifically, applicants submit herewith PTO Form PTO-1449 and a copy of the International Search Report ("ISR") for the '959 Application.

Applicants respectfully certify in accordance with 37 C.F.R. §1.97(b)(3), this information disclosure statement is being filed by applicants before the mailing of a first Office Action on the merits in the present application.

Applicants respectfully submit that the ISR for the '959 Application satisfies the requirement to provide a concise explanation of the relevance of the non-English language documents cited in that ISR. See, e.g., MPEP §609(III)(A)(3) and 37 CFR § 1.98 (a)(3)(i).

It is respectfully submitted that the disclosure of the above documents does not constitute an admission that it is relevant or material to the claims or are "prior art" to the subject application.

If necessary, the Commissioner is hereby authorized to charge any fees required in connection with this submission, or credit any overpayment in connection therewith, to Deposit Account No. 02-1666.

Any questions concerning this application or amendment may be directed to the undersigned agent of applicant.

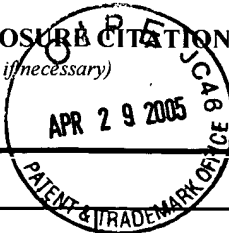

Respectfully submitted,

Dated: April 26, 2005
